

VII. PASTOR'S EXIT REPORT

This report is designed as a three part instrument giving as thorough a background as possible of the parish/parish life for the newly appointed pastor. While it cannot cover all aspects of the parish/parish life the information provided will make for a smoother transition of leadership. The following information needs to be in writing unless there is another way it is being conveyed, e.g., face to face discussion.

PART I - STATE OF THE PARISH REPORT FROM THE PASTORAL COUNCIL

The state of the parish report from the members of the Parish Pastoral Council should include the following:

- 1) A summary of the Pastoral Council meetings from the past year.
- 2) A report from each committee in the parish detailing the role of the committee, boards, current membership list and terms, a summary report of the past years activities and goals for the coming year.
- 3) A detailed report from the Finance Council regarding the financial status of the parish. This report should contain the monthly operating expenses, monthly income, parish debts, copy of the parish budget for the fiscal year ending, copy of the parish budget for upcoming fiscal year. The report should also list all financial institutions the parish has dealings with, parish investments, etc. The report should contain information as to where the parish is at regarding sacrificial giving. This report should also include any specific financial programs the parish is currently undertaking, i.e. Capital Fund Drive.
- 4) The Buildings & Grounds Committee should submit a detailed report making known the condition of all parish property, repairs made in the past year and recommendations for future upkeep.
- 5) The Pastoral Council shall provide guidelines used for the election of members to the council.
- 6) A listing of organizations in the parish used for supportive services: Christian Mothers, Ladies Aid, Catholic Daughters, etc., along with the name of the person heading such organizations.

The following item is not to be read by the outgoing pastor in order to assure an honest evaluation and presentation of legitimate concerns/issues/hurts.

- 7) The Pastoral Council should list any concerns the parish has. What legitimate concerns/issues exist at the present time in the parish? Are there any specific hurts that need to be addressed? What specific issues does the new pastor need to be aware of? It would be the responsibility of the Pastoral Council chairperson to meet with the new pastor to discuss and clarify this part of the report.

PART II - THE PASTOR'S EXIT REPORT

The Pastor's Exit Report should contain a thorough analysis of the spiritual welfare of the parish community. This report should include a listing of all services available for the spiritual life of parishioners.
